Southern soul is a type of soul music that emerged from the Southern United States. The music originated from a combination of styles, including blues (both 12 bar and jump), country, early rock and roll, and a strong gospel influence that emanated from the sounds of Southern African-American churches. The focus of the music was not on its lyrics, but on the "feel" or the groove.

The culture of the Southern United States, or Southern culture, is a subculture of the United States. The combination of its unique history and the fact that many Southerners maintain—and even nurture—an identity separate from the rest of the country has led to its being the most studied and written-about region of the U.S.
