The Do No Harm Dog Training Manual was designed as my own personal guide for teaching basic manners classes, and evolved into a reference manual for my private behavior consultations. Created as a practical guide for either or both training formats, it is also helpful for pet parents who want an inside look at dog training and behavior, as well as for those who seek force-free solutions for ...

Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...
