The global financial system. The third long-standing risk is the health of the financial system, even though much has been done to restore the banking system to stability after its near-collapse in 2008.

Economic Storm Clouds - The Global Risks Report 2018

Crisis Group's early-warning Watch List identifies up to ten countries and regions at risk of conflict or escalation of violence. In these situations, early action, driven or supported by the EU and its member states, would generate stronger prospects for peace. It includes a global overview, regional summaries, and detailed analysis on select countries and conflicts.

The world has moved into a new and unsettling geopolitical phase. It is not just multipolar, but multiconceptual. There is no longer any assumption as there had been in the post-Cold War phase, framed by so-called New World Order and Washington Consensus thinking that norms and institutions exist towards which the world's major powers might converge.

Geopolitical Power Shifts - The Global Risks Report 2018

The term multiculturalism has a range of meanings within the contexts of sociology, of political philosophy, and of colloquial use. In sociology and in everyday usage, it is a synonym for "ethnic pluralism", with the two terms often used interchangeably, for example, a cultural pluralism in which various ethnic groups collaborate and enter into a dialogue with one another without having to ...
