Seller financing is a loan provided by the seller of a property or business to the purchaser. When used in the context of residential real estate, it is also called "bond-for-title" or "owner financing." Usually, the purchaser will make some sort of down payment to the seller, and then make installment payments (usually on a monthly basis) over a specified time, at an agreed-upon interest rate ...

Invoicing: The redesign in 2016 gave QuickBooks Online one of my favorite invoice customization features ever. There are five invoice templates (or you can import an existing invoice template via Microsoft Word). The invoice customization portal is among the most developed on the market and it's incredibly easy to use.
