

teaching strategies gold interrater pdf

Recently, a colleague of mine asked for some advice on how to compute interrater reliability for a coding task, and I discovered that there aren't many resources online written in an easy-to-understand format " most either 1) go in depth about formulas and computation or 2) go in depth about SPSS without giving many specific reasons for why you'd make several important decisions.

Intraclass Correlations (ICC) and Interrater Reliability

A job interview is an interview consisting of a conversation between a job applicant and a representative of an employer which is conducted to assess whether the applicant should be hired. Interviews are one of the most popularly used devices for employee selection. Interviews vary in the extent to which the questions are structured, from a totally unstructured and free-wheeling conversation ...
