

### **the mechanization of the pdf**

Mechanisation is the process of changing from working largely or exclusively by hand or with animals to doing that work with machinery. In an early engineering text a machine is defined as follows: Every machine is constructed for the purpose of performing certain mechanical operations, each of which supposes the existence of two other things besides the machine in question, namely, a moving ...

### **Agricultural mechanization in Africa**

Conservation Agriculture is a farming system that promotes maintenance of a permanent soil cover, minimum soil disturbance (i.e. no tillage), and diversification of plant species. It enhances biodiversity and natural biological processes above and below the ground surface, which contribute to increased water and nutrient use efficiency and to improved and sustained crop production.

Convention requires me to disclose that I have known, admired, and learned from Thomas G. West for more than twenty years. I also recently became his colleague as a scholar and lecturer at Hillsdale College. Moreover, Professor West and I studied many of the same subjects, with some of the same teachers.
