### **GOVERNMENT AND POLITICS - media.collegeboard.com**

Politics (from Greek:  $\text{πολιτική}$ , translit.  $\text{Politik\AA}$ , meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

Gun laws in Australia are mainly the jurisdiction of Australian states and territories, with the importation of guns regulated by the federal government. In the last two decades of the 20th century, following several high-profile killing sprees, the federal government coordinated more restrictive firearms legislation with all state governments.
