fraudulently obtained property to victims, is mandatory in criminal cases, but where determining restitution is too complex and burdensome, the requirement to determine and award restitution to victims may be excused. In such instances, victims of crime and innocent third parties may have a means of seeking relief through the forfeiture process.

In the fight against sex trafficking there must be a single standard for defining a sex trafficking victim. To ensure the greatest protection for victims, that definition cannot include third party control as this requirement is inherently in conflict with the concept, design and intent of sex trafficking laws.
